Transition from having Tyler Graphics to Dave Privett to reduce costs to be available to spend on our students is in progress. Tyler Graphics' support has been great and has been very accommodating
- Booster Club Committees
To encourage more involvement and split the workload Committees will be established. Some initial ideas for them are:
 - Clothing Committee-Michelle Krecklow (mkrecklow@esu2.org)
 - Finance Committee-Mike Hancock (mhancock@insproins.com)
 - Facility Committee (i.e. prep/paint) FB field for games-Mike Hancock (mhancock@insproins.com)
 - Achievement Recognition Committee (sports banquets, honor recognitions, etc)
 - Golden WarriorsIf you have additional ideas share with Mike Hancock-President. If you have an interest in serving on a committee, please contact the people listed above or volunteer to lead one of these by contacting Mike. Additionally we will have sign-ups at the Kick-Off Dinner and Next Booster Club. But we will always welcome new ideas and volunteers!
- Yard Signs
Investigating opportunity to sell signs to support our students by putting them in your yard on activity days that could be either generic or individualized to your child's activity to recognize them and show your support to the community
- Haunted Forest
Discussion about Booster Club Sponsoring a Haunted Forest (fund-raiser?) near Bill & Renae Hancock's residence on 10/23 & 10/24. Would take about 40 volunteers to conduct it + set-up time. Could cook hot dogs by fire and watch scary movies. Currently assessing interest and seeing if we'd have enough volunteers. Please contact Renae Hancock if you'd be willing to help: Renee.Hancock@ne.usda.gov or 443-6501
