Unless approved otherwise, students applying to take college credit/SENCAP/distance learning courses are expected to have an ACT score of 19 or higher (unless required otherwise by the college), OR a PLAN score of 20 or higher, OR have taken the ASSET test with the minimum score required by the college offering the course(s) of interest. Students are also expected to have demonstrated positive behavior during their high school tenure, and should not have a history of discipline referrals, detentions, etc.

Please complete this form and return it to WHS Distance Learning Coordinator Dave Privett or the high school office **BY FRIDAY, OCTOBER 28, 2011. Registration forms that are submitted after this date will incur a \$20 late fee.** Complete information about the college credit/SENCAP/distance learning program and courses offered are available online (www.wahooschools.org [Click on "High School" then "Extended Learning Opportunities"]). Tuition and fees may apply for these courses. Please pay close attention to the types of courses being offered. Some courses are for high school credit only, some are for college credit only, and some are offered for dual-enrollment credit (both high school and college credit). Courses taught by college instructors who do not have high school certification CANNOT be accepted for high school credit.

Please keep in mind that filling out this form DOES NOT guarantee you a placement in a course; It is simply a request to another school offering a course. For distance learning courses, individual schools offering these courses will choose which requesting schools they will accept and which schools they won't (a single course can only be broadcast to a maximum of four sites). All sites offering distance learning courses will announce acceptance later this fall, at which point we will notify students whether or not they have been accepted.

Financial aid scholarships are available for these courses. For more information regarding these scholarships, please contact the WHS Principal or WHS Guidance. Students who obtain a scholarship for these courses are expected to complete the course with a grade of 'C' or better. Students with scholarships who earn a grade lower than 'C' will be required to reimburse the original scholarship amount to the district.

If you have any questions about distance learning, please contact WHS Distance Learning Coordinator Dave Privett (443-4332 ext. 3232). If you have any questions about SENCAP, please contact WHS Guidance Counselor Terry Kopish (443-4332, ext. 3229).

**AGREEMENT:**

*The student signature below indicates that he/she has read and understands the information outlined on this form and on the district's web site regarding the college credit/distance learning/SENCAP programs, and agrees to all criteria and expectations outlined. The parent signature indicates the same. The parent signature also provides proof of permission for the student to enroll in these courses, agreement to make sure any applicable tuition and/or textbook fees are paid, and permission for Wahoo High School to have access to all student grades earned so transcripts can be kept up to date.*
