

English 11

Mrs. Mann

Welcome! This class is a required course, and it is important that you pass both semesters to remain on schedule for graduation. I hope you challenge yourself to attain not only good grades but also skills essential for the rest of your life.

This classroom needs to be a safe and positive learning environment for everyone. I expect you to contribute to that atmosphere by being respectful to each other in word and action. This respect extends to your teacher, other staff members, and your school.

There is a list of procedures and requests I will ask each of you to follow. This will allow our classroom to be run as smoothly as possible.

- Cell phones and other electronic devices (ipods, etc.) will **not** be seen or heard at any time in the classroom. Please keep them in your bags, purses, or lockers.
- Please bring your planner/agenda to class every day.
- You may have water or gum in class. You may not bring food, pop, or other flavored drinks to class.
- If you miss class for any reason, it is **your** responsibility to make up what you missed. If you will miss class for a school-related event, please speak to me at least one day before your absence. If you are gone for other reasons not pre-planned, please see me or another class member as soon as you return. I will not remind you to turn in work or make up a quiz/test. Please be responsible.
- We will follow the WHS Handbook rule on tardies. Your third tardy will result in an unexcused absence from this class. You need to be in your seat when the bell rings, or you will be considered tardy.
- If possible, please try to use the restroom during the passing period or at lunch or study hall. If absolutely necessary, I will allow you a pass during class, but you are responsible for class that you miss while you are gone.
- As you enter the classroom, I expect you to be ready to learn. Be seated, get out your necessary items, and then you may visit if time remains. **Please come prepared for class.** We will work the entire class period. You may “pack up” when the bell rings and not before.

I am available for help or make-up work before school (7:45 a.m.) and after school (4:00). I can come earlier or stay later with a day's notice. I encourage you to come visit with me if you experience problems or just need some extra help. I am really looking forward to a great year.
