## Spelling Bee

Congratulations to our students who qualified to represent Wahoo Elementary in the Saunders County Spelling Bee.

Representing 3<sup>rd</sup> and 4<sup>th</sup> grades:  
Riley Maldaner, Benny Krivanek, Alex Tomjack, Callan Phillips, & Rachel Meyers

Representing 5<sup>th</sup> grade:  
Anna Dobesh, Jack Krenke, & Caleb Groff

## Outside Temperature Outside Recess

We are very careful to watch that both the temperature and the wind chill are 20 degrees or warmer before we send children outside before school or for recess.

Please make sure that your child is dressed for the weather when they come to school. You will need to send a doctor's note with an explanation why if they need to remain indoors for medical reasons.

## Calling all Five-Year-Olds

We are already working on our Kindergarten list for next year. If you know of a child who will be five on or before July 31, 2012 please call Colleen at 443-4250

## New Buzzer System

A new security device in the form of a buzzer system has been installed on our front and back doors. To operate just push the button on the wall next to the door and wait for a "click." You may then enter through the door closest to the buzzer.

This system sends a video of the person at the door. The doors are not locked from 7:45-8:15 to allow students to enter. If your child arrives after 8:15 you will need to access the system and come to the office to sign him/her in.

## Dairy Queen and Pizza Hut Nights

Please make sure you take the coupons we send home to these special nights. We will only receive credit for those orders with a coupon included.

## Dr. Seuss' Birthday Celebration

It is time for our annual **Green Eggs and Ham Breakfast**. Wahoo Elementary PTO will be sponsoring this celebration for students and families on February 29. Come join us for an awesome breakfast, meet Cat in the Hat and Thing 1 and Thing 2! Watch
