Calendars and Report Cards

We will be sending home your child's class/teacher assignment and a copy of the supply list for next year in your child's report card envelope on the last day of school.

Next year's calendar and the supply list will also be on the School's website.

Kindergarten Visit

We will not have our regular kindergarten classes on May 13 and 14th. Next year's kindergarten students will be visiting on those days.

SCHOOL ARRIVAL TIME

No students are to be on school grounds before 7:45 unless accompanied by an adult. This is similar to leaving your child home alone. We do not have staff on duty until after that time to supervise. Students arriving at 7:45 should come to the front doors to go to breakfast, walking club, reading club or homework club.

Last Day of School

Our last day of school is May 27th with a 1:00 dismissal.

Field Day T-Shirts

Thank you to all the businesses that chose to advertise on our T-shirts. We have raised enough money so that all of our students will receive a free shirt!

Field Day will be held on May 25th with the 26th set as a rain date.

NeSA Testing

Our third, fourth and fifth grade students have been participating in the Nebraska State Assessment (NeSA) for Reading and Math. The testing will continue through April 30th.

Summer Academy

We strongly encourage parents to make certain that students for whom we have recommended summer academy be in attendance. This is an excellent opportunity to cement those skills taught during the year to prevent regression over the summer.

Used Printer Cartridges

Please send your used ink cartridges to school. We recycle these and use the funds for special school projects.
