3. For the first seven years of the fund no one scholarship recipient shall receive an award of more than \$800 (\$400 each semester). At the discretion of the principal and committee awards smaller than the maximum amount may be awarded in order to allow larger amounts of eligible candidates to share in the scholarships.
4. The donor's intention is for the scholarship to be for one year only and be non-renewable, although the recipient may reapply for the award during his or her second year at the accredited institution, but such reapplication must be considered in competition with all other senior scholarship applicants from Wahoo High School.
5. One half of the award amount shall be paid upon registration in an approved program and one half shall be awarded at the beginning of the second semester or quarter. It is the responsibility of the recipient to provide proof of compliance to the committee or its designee.
