UNIVERSITY OF NEBRASKA-LINCOLN ADVANCED SCHOLARS

Spring 2011 Course Registration Key

Registration for spring semester is open from November 10 – January 9, 2011.

All UNL students use the online registration system, MyRED, to register for classes. To access MyRED you will need your NU ID and TrueYou password.

The Admissions office will send two e-mails to the address listed on your Advanced Scholars application. One e-mail will include your NU ID. The other will provide a temporary TrueYou password and instructions on how to set up your TrueYou password. After you create your TrueYou password, you can sign in to MyRED and use the course information on this sheet to register for class.

A step-by-step guide to getting registered:

1. Create your TrueYou password and designate security questions for password retrieval at <http://trueyou.nebraska.edu>. Log in using your NU ID and temporary password that the Admissions office e-mailed to you after you applied. *NOTE: Your temporary TrueYou password cannot be used to log into MyRED.*
2. Visit <http://myred.unl.edu> and sign in using your NU ID and new password that you set up through the **TrueYou** system.
3. Click on the **Register for Spring Classes** quick link.
4. Under the “Enroll” tab, add a class or classes to your enrollment shopping cart by entering the class number provided on this sheet.
NOTE: the class number is a random number generated each semester.
5. Click on the **Proceed to Step 2 of 3** button located beneath your shopping cart.
6. Click on the **Finish Enrolling** button to submit your shopping cart to the system for processing. If you have multiple classes in your shopping cart the system will confirm the status of each class. Carefully review any error messages you receive.

NOTE: You may also use MyRED to drop your class. To receive a full refund of tuition, drop your class by January 18.

For assistance in choosing the best course for you, please contact a UNL General Studies adviser at (402) 472-3605. For the most accurate advising, be sure to identify yourself as an Advanced Scholars student.
