

# **Wahoo High School-Southeast Community College Learn To Dream Scholarship**

Wahoo High School and Southeast Community College have entered a partnership with private local donors to offer a needs-based scholarship called the **Wahoo High School-Southeast Community College Learn To Dream Scholarship**. The scholarship pays tuition for up to 45-quarter credits at any of the Southeast Community College (SCC) campuses and may be used for any program of study.

Qualifying students have to graduate from Wahoo High School in May and must enroll as a full time student at SCC within twelve months of their graduation date. Once enrolled as a full time student, recipients have 24 months to complete the 45-quarter credits.

Furthermore, **qualifying students must be identified and notified by school personnel; this is a needs-based scholarship that, in part, is dependent upon free/reduced lunch status**. Students who qualify for the application process will be contacted by school personnel. *This is not an open-application scholarship.*

If you have questions about this scholarship, contact the school counselor.
