

Local Scholarship Listing for Wahoo Public High School Seniors

SENIORS:

NOTE: Many scholarship applications come into the Guidance Center throughout the year. As these scholarships become available, they are put on the website and if an electronic application is sent, it is posted below the local scholarship applications at the bottom of *Wahoo High School's Guidance* scholarship web page. Any scholarships with short deadlines are posted on the *PowerSchool Bulletin*.

Check the "monthly scholarship listing" to help determine when scholarships are likely to surface and have their deadlines. Be proactive. Do a web search of the names of any scholarships you may qualify for to determine the specific deadline for this year. Some scholarships are listed 3-5 month prior to the deadline, while some will have only a 1-2 week window.

The following scholarships are "local" scholarships, meaning they are open specifically to Seniors attending Wahoo High School. **While most of these scholarships have a Spring deadline of around MARCH 15th**, they do vary. Note that some scholarships are contingent upon the college it is associated with and the college's scholarship deadline date.
