WHAT'S UP!?!....AT WAHOO MIDDLE SCHOOL

StuCo Community Service

MS StuCo Community Service Projects -
Message from Secretary Teegan Roberts

As a member of the 2018-2019 Wahoo Middle School student council, I feel honored. I think we are doing a great job in a lot of different aspects. One of these aspects being the trash pick up. When I first heard about the trash pick up, I was like, "ew", but now I'm glad I had the chance to really help out the environment. When we left the highway, we collected seven full trash bags of a whole bunch of nasty, harmful things for the environment. It's been a wonderful and generous month of doing productive things.

The next thing we are doing is a first semester service project. We had many choices ranging from helping a homeless shelter, to walking dogs, but this semester we are helping residents at the "Fred and Pamela Buffet Center." Having a sick loved one can take a lot of time and money. We are hoping to raise items like blankets, coloring books, stocking hats, hot chocolate, and money to put towards gas gift cards. Spending hundreds of dollars a week on gas

isn't exactly an ideal way to spend money. Also, imagine taking your kids to the hospital that's an hour away from your house, and getting there to realize you left your children's coloring books at home. How will you occupy your kids now? With your help, we will be able to provide people with these items, and hopefully help take some stress away. We understand that things aren't always easy, but we can always help things easier.

TEACHER SPOTLIGHT - MR. JERRY VOBORIL

Years of Teaching: 40

Hometown: Wahoo

College/University Attended: University of Nebraska - Lincoln

Hobbies: Coaching Wahoops and summer softball, working basketball camps at Doane University and Northwest Missouri State, and going to my kids' basketball and softball tournaments. I also love to cook.

Interesting Facts about Mr. Voboril: I am pretty much a generic-brand old person, not much interesting about me.

Student school attendance is important!!

As stated in the 2018-19 HS/MS Handbook, time spent in classroom is important and once lost cannot be regained. In order for a student to gain the maximum benefit of the educational program it is important for any student to not be frequently absent. Parents/guardians are asked to cooperate with the school to keep the number of absences to a minimum. Parents/guardians are also encouraged to make appointments and other engagements so that they do not interfere with the school day.

To celebrate and award AWESOME student attendance, Wahoo Middle School has started to draw the names of students who have exhibited tremendous attendance throughout each quarter during the school semester. Students names are put into a drawing for various \$10.00 gift certificates. Pictured below are the first quarter lucky winners.

ICU is rolling and student achievement is increasing.

The Middle School ICU Program is alive and well! Staff have cultivated the school culture by not letting students off the hook, and our achievement is thriving! Our belief is that every student will turn in every assignment. Students are starting to understand that our teachers will not only not let missing work fly, but want good, quality work turned in as well. Our belief is that by putting an emphasis on these two areas (turning in work and good quality work completed) will lead to student success.
