

Transferring Credits

Transferring Your Credits

Southeast Community College is fully accredited by the Higher Learning Commission of the North Central Association of Colleges. Credit is therefore acceptable by most colleges and universities in the United States. Even though most courses listed under the Academic Transfer area at SCC transfer to most colleges and universities, you should consult with your advisor, the Registration and Record's Office in Beatrice and Milford, or Career Advising Services in Lincoln to be sure the courses you take are applicable to the degree you are seeking. It is ultimately the student's responsibility to check with the institution where credit is being transferred.

The most important step:

Contact an advisor from the institution to which you plan to transfer as soon as possible!

Start today – don't wait until the last minute to find out if you've taken the correct classes to meet general education requirements. You will need:

- A list of general education courses required for your major.
- A list of admissions requirements for the college – including the minimum GPA you will need from SCC to get accepted for your major.
- Information on which SCC classes will transfer and how those classes apply to your baccalaureate degree.

How transferring credits works:

- The receiving school always has final approval of how they will use your previous credits.
- Courses must have a grade of 'C' or higher to transfer the credits.
- Four-year schools require a minimum cumulative GPA of a 2.0 ('C' average) to transfer. Many schools or majors require a higher GPA.
- Remember: credits transfer – grades do not. Your GPA at any school is based on the classes you took at that institution.
- Your grades at SCC will be used to make an admissions decision for the school you plan to transfer to. After you transfer, however, you will have credits on your transcripts but no GPA until you complete courses at your transfer institution.
- The number of credits you are able to transfer over does not include developmental classes.
- Your transfer school will want an official transcript from SCC once you transfer. To do this, go to the Student Services Office on your campus to request a transcript.
- Apply to your transfer school at least 6-9 months before you wish to attend. Some schools have earlier deadlines.

The Nebraska Transfer Initiative

The Nebraska Transfer Initiative (see the Nebraska Transfer Initiative Articulation MATRIX) provides seamless transition for SCC Academic Transfer graduates. The Initiative is a cooperative effort by Nebraska's public and private higher education institutions to facilitate the transfer of students who have earned an Associate of Arts degree into baccalaureate-level programs.

The core of this initiative is a common general education cluster of courses, with the remainder of credit hours required for the Associate of Arts degree selected by the students in consultation with a transfer advisor and the institution to which they are transferring. This initiative provides a smooth transition with a minimum loss of time and credit when it is accepted by the baccalaureate-granting institution in Nebraska. Effectively, through this initiative, associate and baccalaureate-granting institutions are equal partners in providing the first two years of a baccalaureate degree.
