

NUCA of Nebraska Scholarship Application

The scholarship recipients are selected by the NUCA of Nebraska Scholarship Committee. The application deadline is April 3, 2020. The number of scholarships awarded is dependent upon money currently available in the NUCA of Nebraska Scholarship Fund.

Please mark which of the following scholarships you'd like to be considered (mark all that are applicable). Note: if you are enrolling in the Heavy Equipment Operator Technician Program at Central Community College Hastings, please do not complete this application. Please complete the attached application for that program.

☐ I am a child of a NUCA of Nebraska member or am being nominated by a NUCA of Nebraska member and am a high school senior graduating and enrolling into a construction-related degree program (could be a 2-year or 4-year program) which would include engineering, architecture, surveying, welding, mechanic or anything in the technical programs and trades.

\$1,000 scholarships available

Name of NUCA of Nebraska Member that is Nominating You and Name of Their Company:

☐ I am a child of a NUCA of Nebraska member and am a graduating high school senior and pursuing post-secondary education or training in a field not related to technical programs, trades, engineering, architecture, surveying, welding, or mechanic.

\$500 scholarships available

☐ I am an employee of a NUCA of Nebraska member and am pursuing education or training in a construction-related degree program (could be a 2-year or 4-year program) which would include engineering, architecture, surveying, welding, mechanic or anything in the technical programs and trades

\$500 scholarships available

☐ I am a SkillsUSA student who is a graduating high school senior and pursuing education or training in a construction-related degree program (could be a 2-year or 4-year program) which would include engineering, architecture, surveying, welding, mechanic or anything in the technical programs and trades

\$1,000 scholarships available
