Subject: 2018 Mitchell Ostry Memorial Scholarship

We are pleased to announce that our non-profit organization, Seven Mile Ridez, is once again offering scholarships for qualifying high school seniors! This will be the fifth year that we are offering the Mitchell Ostry Memorial Scholarship to graduating seniors pursuing a career in the automotive industry.

Our co-founder's brother, Mitchell, was a local advocate of enjoying custom and classic automobiles. He passed away his senior year of high school with intention of attending Wyotech, a nationally known college that specializes in custom automotive restoration. This scholarship was established to honor Mitchell's dreams and to help other young enthusiasts reach their dreams and goals within the automotive industry. We look forward to helping students meet their college expenses for years to come.

Enclosed along with this letter you will find flyers to be posted throughout your high school, and a copy of the application that interested students will need to fill out in order to be considered for the award. Students may also apply online at [www.sevenmileridez.com](http://www.sevenmileridez.com). Please distribute these accordingly to those who may be interested in financial aid assistance. Details and qualifications for the \$500 award are also listed within the application.

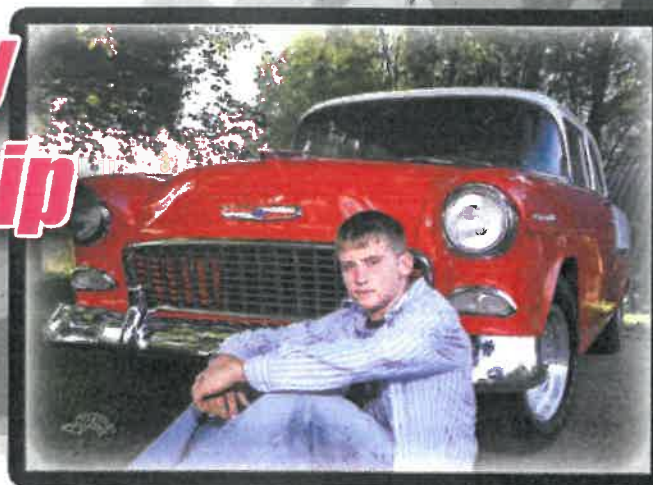

Best Regards,

Tyler Wesely
