

## JOHN BRESLOW SCHOLARSHIPS

**Amount:** \$1,000 (8 Awards)

**Eligibility:** Dependents of current employees\* of Matheson/Linweld, high school welding students having Junior or Senior status at The Career Academy (TCA) at Southeast Community College in Lincoln, NE or in Southeast Nebraska Career Academy Programs (SENCAP), and post-secondary students working on a welding certificate in communities of the former Linweld Inc. locations.

**Criteria:** 2 or 4-year college, preference to majors in welding, industrial distribution or field that enhances work at Matheson/Linweld.

### CRITERIA

1. A) Applicant must be a dependent of a current Matheson/Linweld employee\* under the age of 25 as of the application deadline pursuing post-secondary education at an accredited college, university, community college or trade school, or B) a high school welding student having Junior or Senior status at The Career Academy (TCA) at Southeast Community College in Lincoln, NE or in Southeast Nebraska Career Academy Programs (SENCAP), or C) a post-secondary student working on a welding certificate in communities of the former Linweld Inc. locations.
2. Annually, six scholarships will be awarded to employee\* dependents. Of the six awarded to dependents, special preference will be given to those pursuing post-secondary degrees in welding, industrial distribution or related fields regardless of financial need. Annually, two scholarships will be awarded to applicants who are welding students of TCA or SENCAP, or are post-secondary students working on a welding certificate in communities of former Linweld Inc. locations. TCA and SENCAP scholarship recipients continuing their study of welding to receive certification will have preference for renewal of the scholarship in the following year.
3. This scholarship may be renewed for one additional year only upon resubmitting a fully completed application.

\* An employee is defined as any current Matheson/Linweld employee who is working at or assigned to for payroll costing purposes, any of the former Linweld Inc. locations as listed on Page 3 of this document. If a location within a city is moved to a different address in the same city these employees will remain eligible.

## **APPLICATION**

Applicants are required to complete the Lincoln Community Foundation Application Form online at <https://lcf.academicworks.com/> and submit the form and all required attachments electronically. Applications must be submitted by 11:59 p.m. on March 15th.

### **Application required attachments:**

1. High school or college **transcript(s)** (copies of transcripts are acceptable). High school seniors must submit their high school transcript; high school graduates need only submit their college transcripts.
2. Financial Information that shows **Expected Family Contribution (EFC) number**, which is on the first page of the applicant's Student Aid Report (SAR).
3. **Two (2) references' e-mail addresses.** References will be notified automatically by the system to fill out an online form when the application is submitted. **Note: References have only until the March 15 deadline to submit, so applicants needing references must apply well ahead of the deadline to allow references adequate time to submit!** References must be teachers, counselors, case workers, clergy, employers, neighbors, etc. (references from family members are not acceptable).

## **DEADLINE**

Scholarship applications must be submitted electronically to the Lincoln Community Foundation at <https://lcf.academicworks.com/> by 11:59 p.m. on March 15th.

## **AWARD**

The Lincoln Community Foundation will make the final selection of scholarship recipients.

Scholarship checks will be sent directly to the student's college or university. Scholarship grants can be made only to qualified, nonproprietary institutions.

\* An employee is defined as any current Matheson/Linweld employee who is working at or assigned to for payroll costing purposes, any of the former Linweld Inc. locations as listed on Page 3 of this document.
