Physical Examination Report

Name of School (if desired)

The school board shall require evidence of (a) a physical examination by a physician, a physician assistant, or an advanced practice registered nurse...within six months prior to the entrance of a child into the beginner grade and the seventh grade or, in the case of a transfer from out of state, to any other grade of the local school; and (b) for school year 2006-07 and each school year thereafter, a visual evaluation by a physician assistant, an advanced practice registered nurse, or an optometrist within six months prior to the entrance of a child into the beginner grade or, in the case of a transfer from out of state, to any other grade of the local school, which consists of testing for amblyopia, strabismus, and internal and external eye health, with testing sufficient to determine visual acuity, except that no such physical examination or visual evaluation shall be required of any child whose parent or guardian objects in writing. The cost of such physical examination and visual evaluation shall be borne by the parent or guardian of each child who is examined. Nebraska Revised Statutes 79-214 (excerpt).

PARENT/GUARDIAN: This form is provided as a convenience to you and your child's health care provider in meeting the requirement for physical examination in Nebraska schools. No specific form is required by the statute. The information provided here may be shared with school personnel as needed to promote your child's safety and educational success.
