

**A NOTE FOM THE DIRECTOR
AN AMAZING JOURNEY.....**

We are so very glad that you came to our show! Thank you for being a part of Wahoo history, as you experience the first ever musical in this brand new beautiful facility. As you watch today's performance, just know that you are seeing a long awaited dream come true before your very own eyes.

Never before has our school and community experienced theatre the way they will experience it today. The journey to reach this moment has been a long one, but we have finally reached our destination. We are so very grateful to everyone who made this dream possible. This realized dream has enabled our students to reach new heights and grow in their participation and appreciate of the arts. In just a short amount of time, they have flourished and become better due to the fact that they have been given the tools and a facility that has enabled them to reach their full potential and experience the arts they way they were meant to be. I have also been given the opportunity to grow as a director, learning how to use this beautiful gift that has been bestowed on us all. Thank you Wahoo, for believing in the dream!!

And now.....ON WITH THE SHOW!!
