

## 2019 Baseball Season

The 2019 Warriors finished the season with a 13-5 record and fell just short of making the state tournament as a wild card. The number 1 and 2 seeds both got upset in districts and ended up getting the wild cards leaving the Warriors the first team out.

The season as a whole was a successful one. The Warriors won the Capital Conference Tournament beating Plattview in the championship game 9-8 in extra innings. They also won the regular season championship going unbeaten in conference play. This senior class won both the tournament and regular season titles the last three years.

The Junior Varsity team finished with a winning record of 6-5, while the reserve team with a very young roster finished the year 4-12
