We are also asking each family bring 1 box of kleenex. Kleenex can be given to your child's Warrior Period teacher.

Also, it is not required but it is recommended that each student purchase a laptop case and keyboard cover for their school issued laptop. A case and cover can help prevent costly fines

for accidental damage. The laptop is an 11" MacBook Air model A1465, and a variety of cases with matching keyboard covers can be found on Amazon for under \$20.
