

Traffic Guidelines

*Parents: Thank you in advance for following these guidelines to increase **safety** and **efficiency** as we work to get over 500 students to and from school each day. Your patience and cooperation are appreciated!*

BEFORE SCHOOL

- All students will enter the building through the main (West) entrance.
- Busses will enter the North lane to drop off students
- Parents will use the circle drive to drop off students along the sidewalk. The circle drive is a one-way street consisting of two lanes. Use the right lane to drop off children; the left lane is a through lane only.
- Parking in the lanes of our circle drive is not allowed due to traffic congestion and safety issues. If you choose to walk your child into the building, please park in any of the 20+ designated parking spaces or utilize the North parking lot.

AFTER SCHOOL

Circle Drive: Last names A-L

- Treat this as a one-way street with two traffic lanes. The right lane is the pick-up lane. Parents in this lane are to STAY IN VEHICLES. Do not park and leave your vehicle in the drop off lane. Doing so creates unnecessary, dangerous traffic congestion.
- The left lane is only for driving through. Do not load or unload passengers in this lane.
- Parents who choose to get out of vehicles must park in one of the 20+ designated spaces.

North Lane: Last names M-Z

- Treat this as a one-way street with two traffic lanes. The right lane is the pick-up lane. Parents in this lane are to STAY IN VEHICLES. Do not park and leave your vehicle in the drop off lane. Doing so creates unnecessary, dangerous traffic congestion.
- The left lane is only for driving through and accessing the parking lot. Do not load or unload passengers in this lane.
- Parents who choose to get out of vehicles must park in the north parking lot.

Bus Loading Zone:

- School busses park in the yellow area of the enclosed map, facing north. There is a crosswalk and walkway painted with diagonal hashed lines to indicate pedestrian walking area between parked busses and the curb.
- Staff members are designated to supervise the crosswalk and attendance for each bus.
- Busses are color coded and park in the same order with signage to help children get to the correct bus.
