## RATIONALE

The Wahoo High School Alternative School program has been established to provide options for students who are not benefitting from a traditional school structure. A student attending the Alternative School may need to leave school early for employment reasons, may have come into conflict with school rules, procedures and/or policies, may have fallen considerably behind in school assignments, have multiple unexcused absences/tardies or needs to be removed from regular classroom settings. The concern is for the student and others as well. A student will not be assigned, full-time, to the Alternative School without a meeting between the student, parent, school counselor and school administrator.

## OBJECTIVES

This educational setting will focus on providing students with opportunities for positive choice making, decision-making and behavioral change. This setting is also designed to allow students to explore career opportunities as they work to complete their high school education. Finally, this setting is in place to help students reach their educational goals and graduate with a diploma from Wahoo High School.

## CURRICULUM

The curriculum in the Alternative School will generally be online. SchoolsPLP® software is designed as a complete, stand-alone curriculum, for initial credit or to augment course offerings or can be used in alternative school settings dedicated to special education or credit recovery. A certified teacher will monitor all work, assess student progress as well as guide and review all coursework. SchoolsPLP® software is structured so that students can work at their own pace. Assignments can be completed outside of the school setting; all online quizzes and tests must be taken at school. Coursework that is assigned outside of SchoolsPLP® has been reviewed by Wahoo Public Schools staff and meets state curriculum standards.

## EXPECTATIONS

1. Students will increase proficiency in basic skill development.
2. Students will follow all rules and procedures outlined in the Wahoo High School student handbook. This handbook can be found on the school's website. ([www.wahooschools.org](http://www.wahooschools.org))
3. Students will complete assignments to the best of their ability.
4. Students will communicate positively with the instructor and classmates.
5. Students will treat all staff and students in the Alternative School with respect.
6. Students will work independently.

## **ATTENDANCE**

Tardies and attendance rules, as outlined in the Wahoo High School student handbook ([www.wahooschools.org](http://www.wahooschools.org)), will be in force in the Alternative School. Exceeding the allowed number of tardies or absences may lead to Wahoo High School's Attendance Committee to suspend or revoke credits. Students in the Alternative School will follow the regular high school bell schedule and will be dismissed at the end of 4<sup>th</sup> period. If a student cannot attend due to sickness, a scheduled appointment or any other reason, a parent or guardian must call the Wahoo High School office (402-443-4332). Parents of students who are absent will be called if the office is not notified. If parent/guardian contact is not achieved by 9:00 a.m., the student will be recorded as truant for the remainder of the day or until the office is notified. In addition, parents are asked to provide written documentation should their child miss for a medical or dental appointment.

## **SCHOOL CLOSING**

Students attending the Alternative School will attend each day that Wahoo High School is in attendance. School closings will be posted on the school's website and Facebook and Twitter pages.

## **PERSONAL POSSESSIONS**

Students attending the Alternative School will not be assigned a locker. Therefore, students will be responsible for their own personal possessions while at school. Wahoo Public Schools cannot be responsible for the safekeeping of those personal possessions, including cellphones. The Alternative School will provide a laptop computer for students to complete their SchoolsPLP® coursework. Students should not bring their own personal tablets or laptops unless the Alternative School teacher has approved the devices in advance.

## **LUNCH AND EXTRACURRICULAR ACTIVITIES**

Students attending the Alternative School are not allowed to eat lunch in the school cafeteria. They are expected to leave the Wahoo High School campus after they are dismissed. In addition, students attending the Alternative School may not allowed to participate in extracurricular activities or events at Wahoo High School.

## **MEDICATION**

Student medication will be dispensed from the office as stated on the physician's prescription and done so by the school nurse or a designee. Medication must be in its original container and have the prescribed dosage included. A Medical Action Plan must be on file in the school's nurse's office prior to a medicine being dispensed; the plan form can be picked up at the school office or requested from the school nurse. Any student distributing medication or supplements may be subject to disciplinary action.

## **CREDIT RECOVERY**

Wahoo High School students may be assigned to the Alternative School for one or more periods for the purpose of credit recovery. Those students will continue to abide by the rules and procedures outlined in the Wahoo High School student handbook ([www.wahooschools.org](http://www.wahooschools.org)) while in the Alternative School.
