We are excited to announce our annual Wahoo Baseball Camp. These camps are being offered as an all-position camp to young people between the grades of 3-8. This camp is an instructional camp directed by the high school and legion baseball coaching staffs. Participants will be separated into their grade levels where they will learn the techniques of every baseball position, both individually and as a team. The camp will teach the latest in modern baseball, as well as the basics of the Wahoo baseball programs. We are excited to give kids an opportunity to become better baseball players. It is our privilege to personally invite you to the 2022 Wahoo Baseball Camp. See you there!
